

MAPA

The map displays a residential area with several building footprints in light gray. A central area is highlighted in red and marked with a red cross and the number '01'. The map is overlaid with a network of colored lines: red lines with arrows, blue lines, and yellow lines. Numerous numerical values are scattered across the map, often in pairs (e.g., 160.89/158.34, 160.81/158.05), representing elevation or distance data. The map also shows property boundaries and various symbols like circles with dots and circles with crosses. A scale bar at the bottom right indicates a distance of 10 meters.

Załącznik do ogłoszenia II przetargu ustnego nieograniczonego
w Tomaszowie Mazowieckim przy ul. Spalskiej 42
